

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, visit [www.bluecrossnc.com](http://www.bluecrossnc.com). For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at [www.healthcare.gov/sbc-glossary](http://www.healthcare.gov/sbc-glossary) or call 1-800-422-2717 to request a copy.

Important Questions	Answers	Why this Matters:
<b>What is the overall <u>deductible</u>?</b>	In-Network: \$2,800 Individual/\$5,600 Family Member/\$5,600 Family Total. Out-of-Network: \$5,000 Individual/\$10,000 Family Member/\$10,000 Family Total.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the policy, the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay.
<b>Are there services covered before you meet your <u>deductible</u>?</b>	Yes. Preventive care.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
<b>Are there other <u>deductibles</u> for specific services?</b>	No.	You don't have to meet <u>deductibles</u> for specific services.
<b>What is the <u>out-of-pocket limit</u> for this <u>plan</u>?</b>	In-Network: \$5,600 Individual/\$11,200 Family. Out-of-Network: \$100,000 Individual/\$100,000 Family.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
<b>What is not included in the <u>out-of-pocket limit</u>?</b>	<u>Premiums</u> , <u>balance-billing</u> charges, <u>prescription drugs</u> , health care this <u>plan</u> doesn't cover and penalties for failure to obtain <u>pre-authorization</u> for services.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
<b>Will you pay less if you use a <u>network provider</u>?</b>	Yes. See <a href="http://www.bcbsnc.com/FindADoctor">www.bcbsnc.com/FindADoctor</a> or call 1-800-422-2717 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-</u>

network provider for some services (such as lab work). Check with your provider before you get services.

**Do you need a referral to see a specialist?**

No.

You can see the specialist you choose without a referral.

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
